eBook Release: Tired Of Making Your Utility Company Rich?

Denver – August 31, 2007– H. Court Young, an author of The Orphan Boy, A Love Affair With Mining and Understanding Water Rights and Conflicts, announced today the release of Tired Of Making Your Utility Company Rich?, an ebook about the benefits of solar power. This ebook comes bundled with three bonus ebooks, Guide to Federal, State & Local Incentives for Renewable Energy Systems, Solar Power Templates to Calculate the Size Solar System for Your Home and the Solar Calculator.

With the inclusion of the three bonus ebooks, Tired Of Making Your Utility Company Rich? is offered at \$19.95 and is available at www.tiredofmakingyourutilitycompanyrich.com and on the author's website www.hcourtyoung.com. A CD ROM is also available at \$24.95, and a Solar Resource Guide is available at \$59.95 (this includes the ebook and bonus ebooks). For more information about Tired Of Making Your Utility Company Rich?, contact H. Court Young as (303) 726-8320 or visit www.hcourtyoung.com.
